CATHOLIC MEMORIAL TO BE
DEDICATED ON NOVEMBER 7

This is Date Selected and Submitted
to Bishop Eis for Exercises in Con-
nection With Completion of Monu-
ment in Lake View Cemetery—Con-
tract for Erection is Awarded.

Contractor Paul P. Roehm will erect
the new Catholic memorial purchased
by local subscription to mark the Ca-
tholic portion of the cemetery at Lake
View. The cross has already been
taken to the site and will be put up
this week.

Ed. E. Caddby, assistant cashier of
the First National bank of Calumet, is
treasurer of the fund, and Homer
Deschaine is secretary. Some time
in the near future a list of the so-
cieties and private individuals con-
tributing to the fund will be compiled
and published in The News.

It is expected that the dedication
exercises will take place on Sunday,
November 7. That date has been sub-
mitted to Right Rev. Bishop Eis, of
the diocese of Marquette, for his ac-
ceptance. Bishop Eis has been further
asked to take charge of the exercises,
and it is likely that he will accept.

All of the Catholic fraternal and
other societies will receive invitations
to attend the exercises and it is ex-
pected that they will do so. Included
in these are the several Italian, Croa-
tian and Slovenian societies, the Ca-
tholic Order of Foresters, Knights of
Columbus, Sacred Heart Young Men's
club, etc. It is expected that more
than 1,000 fraternal members of the
Catholic faith will be present.

The cross which has been secured
is a magnificent one. It stands 20 feet
high with arms 10 feet in length. The
cross is made of iron. A figure of
Christ is nailed to the cross, while
surrounding the statue are three fig-
ures, representing Mary, Magdalene,
Mary, and St. John the Baptist. These
figures were imported from Germany
and carved from stone of sufficient
hardness to withstand the climate of
this region.

THE GIRL QUESTION.

Popular Production Will Appear Here
Thursday Evening.

The next attraction at the Calumet
theater will be "The Girl Question,"
which comes here under the manage-
ment of H. H. Frazee on Thursday
evening.

"The Girl Question" is a musical play
with an absorbing story developed in
its plot yet filled with such humorous
types of characters and situations that
an audience is kept in an almost con-
tinual stream of laughter. It is writ-
ten by Adams, Hough and Howard,
authors of "The Time, the Place and
the Girl" and is along the same slangy,
funny lines of every day life as that
wonderful success.

"The Girl Question" has been staged
by George Marion universally ac-
knowledgeed to be a successful director
and who produced "The Prince of Pil-
sen," "The Merry Widow," "The Stub-
born Ciderella," "The College Widow"
and dozens of other record breaking
hits and Mr. Marion's name is an as-
surance that the play will be full of
dramatic climaxes, beautiful stage pic-
tures of color and ensemble as well as
pretty, graceful dancers replete with
action.

The production has a record of 229
consecutive performances at the La
Salle theater, Chicago, and on a tour
through the larger eastern cities last
winter crowded every theater in which
it played to the very doors.

The cast which will be seen here is
a notable one and the song hits include
"Good-bye Pal," "I Hate to Work on
Monday," "O'Gee he Good to Me, Kid,"
"Wait Me Around till I'm Dreamy,"
"When Eyes Like Yours Look into
Eyes Like Mine," "The Old Buck and
Wing" and "Do Something."

Mich., has accepted a call to the pa-
storate of the Red Jacket Congrega-
tional church, and will occupy the pul-
pit of the church, for the first time on

cupied the pulpit of the Calumet Con-
gregational church during the absence of

STEALS SCARF AND IS FINED
\$10; OTHER CASES IN COURT

Tamarack Woman Pleads Guilty to
Charge of Larceny; Another Arrest is
Made in Connection With Gambling
Violations—Sentence on William J.
Thomas is Suspended.

Mrs. Kate Lesek of Tamarack, ar-
rested on a charge of larceny, pleaded
guilty in Justice Jackola's court and
was fined \$10 and costs. According to
the evidence, Mrs. Lesek entered the
Wickstrom-Niemi store on Pine street
Monday and asked to be shown some
goods. Shortly after leaving one of
the young lady clerks noticed that her
silk scarf was missing. Inquiries were
made with the result that the defend-
ant was arrested. The scarf was re-
turned.

On complaint of his wife William J.
Thomas was brought before Justice
Jackola last evening, charged with as-
sault and battery. He was sentenced
to thirty days in the county jail. On
his promising to be of good behavior
in the future his sentence was com-
muted, and he was allowed his liberty
on payment of the costs.

Another arrest was made yesterday
in connection with gambling violations
of the village ordinances. Mike Stan-
ich was brought before Justice Jackola,
charged with gambling. On his plead-
ing guilty he was assessed a fine of \$5
and costs. The alleged gambling took
place on the premises of Ella Vranish,
who, with two others, have already
been fined.

The case of Mrs. Cura, of Osceola,
charged with assault and battery on
John Bican, also of Osceola, will
come before Justice Fisher tomorrow
morning. Mrs. Cura has set up a plea
of not guilty, and demands an exami-
nation. She has secured legal assist-
ance to fight her case.

MUSTONEN COMING BACK

Former Leader of Finnish Glee Club
Will Again Locate in Calumet.

Professor Sanfrid Mustonen, who
left here about one year ago to locate
in Virginia, Minn., has written local
friends to the effect that he will re-
turn to Calumet about the latter part
of this month, and will again take up
his residence in Calumet.

Prof. Mustonen is the well known
vocalist and a former leader of the
Finnish Glee club of Calumet. Since
going to Virginia, Minn., he has or-
ganized a large chorus of male singers,
all of whom are Scandinavians.

During the next few days this
chorus, under the direction of Prof.
Mustonen, will give concerts at Hib-
bing, Eveleth, and Christholm, on the
Mesaba Range. It is believed locally
that Prof. Mustonen is conducting a
farewell tour with his chorus, prepar-
atory to leaving for the copper coun-
try. Mrs. Mustonen and family will
return here with her husband.

GOOD SHOW AT BIJOU.

There is a good bill at the Bijou this
week. The feature act is May Leon-
ders and her gladiators, one of the
most enjoyable of the season. The
act is a scene of reproductions of no-
ted works of sculpture and the illusion
is perfect. The act closes with a num-
ber of poses representing different
phases of the war between the north
and south and stirs up much enthu-
siasm in the audience. Leonders and
her company have added something to
vaudeville which is a distinct treat.

The work of Shomers, the teeth
equilibrist, is remarkably clever. Sad-
die Whiting does a very clever singing
and dancing specialty, and is making a
hit. The moving pictures are excel-
lent.

There will be a regular
meeting of Calumet Aerie
No. 352 F. O. E. Wednesday
evening, October 20th. A
large attendance is desired.

stantial Balance and Property Paid
for, Also Describing Work in Detail
—Shaft is Getting Into Better
Ground, Which is Encouraging.

According to a telegram, received
last night from Supt. H. V. Snell, of
the Superior and Globe, the shaft has
reached a depth of 546 feet, and is
showing streaks of calcite carrying
copper sulphide. This is regarded as
an encouraging sign by those familiar
with the formation of the ground.
Supt. Snell states that the ground in
the shaft is beginning to show softer
spots and he looks for a change in the
formation at any time now. It is ex-
pected that the water level will be
reached within the next 100 feet.

The annual report of the company
is being prepared, and will be mailed
to stockholders during the next few
days. It gives in detail the work done
at the property since the organization
of the company. The property is en-
tirely paid for, and the report will
show a substantial cash balance, one
which will enable the company to
proceed with exploratory work for some
time yet. All of the patent surveys
have been made on the property and
a claim may have been prepared and
filed with the proper authorities.

PRIMROSE MINSTRELS.

and songs, Harvey, Henderson and
Lewis, with their original comedy mu-

more than 20 famous minstrel men
dating back from the days of the popu-
lar Billy Emerson to dancers of the
present time; "The Guess Who Girls,"
a comedy skit that will make you ex-
ceedingly happy for about ten minutes;

thers, world's greatest youthful danc-
ers, and three other novel features.
